

GROUP OF COMPANIES

We specialise in the exclusive manufacture and supply of underground roof control systems which cater for soft and hard rock mining environments.

# MSP Accessories

MSP manufactures a range of accessories which should be used with MSP products.

## MSP HEADBOARDS

The MSP headboards are load spreaders that increase the area coverage on the hanging wall.

Product name: **MSP Boulby one-one headboard for MK I**  
Product code: PHB0010D1

Product name: **MSP Boulby one-one headboard for MK II**  
Product code: PHB0010D2

Product name: **MSP Boulby R4 headboard for MK II**  
Product code: PHB0010D3

Product name: **MSP Boulby R4 headboard for MK/MK I/ MK III**  
Product code: PHB0010D4

Product name: **MSP Boulby R4 headboard for MK/MK II**  
Product code: PHB0010D5

Product name: **MSP Boulby 300mm wood headboard for MK II**  
Product code: PHB0010D7

Product name: **MSP Boulby one-one 3 wood headboard for MK I**  
Product code: PHB0010D6

Product name: **Low Profile Boulby Headboard**  
Product code: PHB0010D9

Product name: **Boulby one-one headboard for MKII**  
Product code: PHB0010D8  
Application: **Coal mine support globally**

Product name: **Trispreader Headboard**  
Product code: Trispreader

Product name: **Steel Headboard**  
Product code: SHB0010B

Product name: **Plate Headboard**  
Product code: PHB0010B

# MINE SUPPORT PRODUCTS

PRACTICAL. PROFITABLE. PRODUCTIVE.

## MSP CONE SETTING TOOLS

The MSP Cone Setting Tools are used to hammer the yielding mechanism into place.

Product name: **MSP Cone Setting Tool for MK I**  
Product code: **CST0004B**

Product name: **MSP Cone Setting Tool for MK III**  
Product code: **CST0004D**

Product name: **MSP Cone Setting Tool for MK II**  
Product code: **CST0004C**

## MSP FOOTPLATES

The MSP Footboards are load spreaders that increase area coverage in soft rock conditions to prevent punching of the Rocprop into the footwall.

Product name: **Footplates for MK I/MK III**  
Product code: **FPI001**

Product name: **Footplates for MK II**  
Product code: **FPI004**

**RELENTLESS  
RESISTANCE**  
MINE SUPPORT PRODUCTS

## MSP PUMPS

Product name: **Hydraulic Intensifier Pump**  
Product code: **LJR20mini**

Product name: **Control Panel**  
Product code: **CP0016**

Product name: **Setting Pistol for Hydro Power**  
Product code: **Setpis C steel**
